

## Experienced management team leading Rillion into the future

The merged AP automation SaaS [companies Palette Software and Centsoft were recently brought together under the common brand Rillion](#), marking the start of the next phase in the Group's growth journey.

To facilitate its growth journey, Rillion has further strengthened its management team, forming a team with the relevant skill-sets and experiences:

- **[Mats Ferm, CEO](#)**: Mr. Ferm has over 20 years in leadership positions with software companies and financial services companies such as Qlik, BMC Software and Swedbank. Mr. Ferm served 15 years as a pilot in the Swedish Airforce and Chief Engineer of the JAS 39 project in the Swedish Material Administration (FMV).
- **[Sylvia Andersson, CFO](#)**: Prior to joining Rillion in 2018, Mrs. Andersson has 18 years in leadership positions within finance at IBM, Microsoft and ReadSoft.
- **[Pär Jönsson, CPO/CTO](#)**: Mr. Jönsson joined Rillion in 2021 and has over 20 years of experience in product development for software companies. Prior to joining the company Pär has held multiple positions at Visma, GTECH S.p.A., and Ericsson.
- **[Mikael Eriksson, CRO](#)**: With over 20 years of experience in AP Automation in different leading roles, Mr. Eriksson served as a senior sales leader at Rillion for many years. Prior to joining the company, Mr. Eriksson had a long career as both enterprise sales and leader for professional services units at Basware.
- **[Paul Mullis, President of the Americas](#)**: Mr. Mullis brings over a decade at SAP Concur in executive and sales leadership roles, with a long career as an entrepreneur in travel management. Previously, Mr. Mullis worked in sales and marketing at IBM.
- **[Kristina Alstermark, CMO](#)**: Mrs. Alstermark has extensive industry experience from 20 years in the AP arena with leading positions at ReadSoft, Kofax, and Palette Software.
- **[Pär Alenius, COO](#)**: Mr. Alenius has extensive experience from a number of senior positions in IT, telco, and e-commerce. He has successfully built and transformed organizations and businesses in various stages of change.
- **[Håkan Wranne, CSO](#)**: Mr. Wranne has held senior positions in strategy, strategy execution and analytics at Swedbank. Mr. Wranne has also a long career as financial analyst as well as a journalistic background.

Customers and partners will continue to benefit from the same [market leading AP Automation solutions](#) under the Rillion brand, signalling that we now are a fully integrated group, delivering a consistent customer experience meeting the highest demands. Year after year, we have enjoyed market leading NPS scores, and as Rillion we intend to further improve our product offering and customer service to continue to earn our customers' trust.

“We strive to make our solutions and services as easy to buy, deploy and use as possible, so that our customers can focus their time on building their businesses. We have been quite successful in Europe already and to repeat our success on the other side of the ocean we have not only recruited Paul Mullis to head up the US organization. Mr. Mullis has established an experienced leadership team for our US operations ready to bring peace of mind to Accounts Payable in the US as well,” says Mats Ferm, CEO of Rillion.

## About Rillion

Rillion is a leading Accounts Payable Software-as-a-service (SaaS) provider. We make our clients' jobs easier by letting them do more, with less. We provide the tools to allow finance professionals to transform how they manage invoices - from data capture and requisitions, to invoice matching and approvals. We come from over 25 years of experience providing the best customer service in the industry resulting in a more efficient invoice process and peace of mind to Accounts Payable. To date, Rillion has supported over 3,000 companies across over 50 countries. For more information and to learn more visit [www.rillion.com](http://www.rillion.com).
